

## **APPLICATIONS ARE INVITED FOR IAVP ANNUAL AWARDS-2020**

The Indian Association of Veterinary Pathologists has instituted a number of awards. Awards are distributed to Veterinary Pathologists who have excelled in professional competence as assessed by appropriate criteria. The IAVP administers several categories of awards. Where an application is required, the last date for receiving award application is approximately one month before the opening day of conference. The awards are listed below with respective criteria for each one of them. **Only Members of IAVP are eligible for the awards.** Non-members, if otherwise found eligible for any award, the President may consider them for special awards. Applications of following awards are invited:

### **YOUNG SCIENTISTS AWARDS (Three Nos.)**

IAVP considers young pathologists as its future of profession and encourages them by rewarding and awarding by a number of awards and honours. There are three awards for young scientists presenting scientific papers during annual conference/ webinar. Three best presentations in a specially organized session are considered for the award. The awards are the following:

1. **IAVP-Dr Balwant Singh Memorial Young Scientist Award for Best Oral Presentation**
2. **IAVP-Dr S.K. Nigam Memorial Young Scientist Award for Second Best Oral Presentation**
3. **IAVP-Prof. S. Ramachandran Memorial Best Molecular Oncologist Presentation**

#### **Rules of the Award (1 & 2):**

1. The scientific papers may be on any topic with a bearing on Veterinary Pathology.
2. The work in question must have been carried out exclusively in any institution in India.
3. The person who is presenting the papers should be one of the authors and not have completed 35 years of age and must have made major contribution to the work (A certificate from the Head of the Department / Institution with age proof is to be sent along with the paper).
4. The presentation should be completed in 8-10 minutes with 2 more minutes for discussion, depending upon the availability of time.
5. The President, IAVP shall constitute a 'three members committee' to select the Awardees and the decision of the judges will be final.
6. The papers adjudged for awards would be published in Indian Journal of Veterinary Pathology. Hence, a copy of the full paper along with photographs, tables, etc. should be submitted to the Chief Editor after the Conference.
7. The participants for this award should submit abstract to the Organizing Secretary before the last date of conference as per announcement, indicating the paper to be presented for Young Scientist Award. Last minute intimation to shift a paper from any technical session to Young Scientist Award will not be entertained.
8. This Award contains certificate to all authors.

#### **Rules of the Award (3):**

1. The first recipient of the award should be a Life Member (s) of IAVP below 35 years age.
2. The award is given to an individual or to a team of scientists, which need to best at the time of application.
3. The presentation should be completed in 8-10 minutes with 2 more minutes for discussion, depending upon the availability of time.

4. The research work should be original contribution to Molecular Oncology carried out during the past three years in any of the Veterinary Institutions in India.
5. The President, IAVP shall constitute a '**three members committee**' to select the Awardees and the decision of the committee shall be final.
6. The participants for this award should submit abstract to the Organizing Secretary before the last date as per announcement, indicating the paper to be presented for Young Scientist Award. Last minute intimation to shift a paper from any technical session to Young Scientist Award will not be entertained.
7. This Award contains certificate to all authors.

### **POSTER PRESENTATION AWARDS (3 Nos.)**

There are **three awards** for the Best Poster Presentations of poster papers during annual conference. The awards are:

1. **IAVP-Best Poster Presentation Award**
2. **IAVP-Organizing Secretary Second Best-Poster Presentation Award**
3. **IAVP-Savithree Jibachch Sinha Third Best-Poster Presentation Award**
