Dr.N.P.Kurade  
Baramati,Maharashtra  
Dr.JaiprakashBhelonde  
Hyderabad (Telangana)

Ref. No. ICVP/ Examination

Dated: 24.02.2021

## Subject: ICVP Examination- Induction of Senior Pathologists

Dear Fellow Pathologists

I am happy to inform that the Indian College of Veterinary Pathologists (ICVP) founded in 2008 has announced its annual board certification examination for the year 2021 (details on [www.icvp.in](http://www.icvp.in) and attached Announcement) to be held at Nagpur Veterinary College, Nagpur, Maharashtra, on 11&12 September, 2021.

The College has admitted 61 certified pathologists until 2019.

Beginning 2021, ICVP Board Certificating Examination candidates having undergone mandatory ICVP training for 3 years (As Standard training: Those having admitted to MVSc Veterinary Pathology are eligible to enroll under supervision of Diplomate ICVP) or one year, after MVSc and having a minimum of three years experience of Veterinary Pathology Practice including training period (As alternate training, can enroll under supervision of Diplomate ICVP) are eligible for the examination.

Since 2019, ICVP has enrolled over 30 Trainees towards its Board certification examination.

On the popular demand for induction of senior pathologists to encourage fair number of mentors available all over India, ICVP in its annual General body meeting held in December 2020 decided to invite expression of interest from pathologist not below the rank of professor having a minimum of 20 years of experience while practicing veterinary Pathology. Further modalities for the conduct of Examination would be decided by ICVP after knowing the exact number of such senior pathologists.

I look forward for expression of interest by senior pathologists (Professor with a minimum of 20 years of working experience) and life member of IAVP who are willing to take ICVP certification examination to inform Secretary ICVP by e-mail at: [drnpvel@gmail.com](mailto:drnpvel@gmail.com) by 31<sup>st</sup> March 2021.

  
(N.Pazhanivel)  
Secretary,ICVP
