

**Department of Veterinary Pathology, College of Veterinary Science,
GADVASU Awarded All- India- Centre of Advanced Faculty
Training (CAFT) in Veterinary Pathology**

It is matter of great pleasure to Veterinary Pathologists of country that ICAR has conferred a **Centre of Advanced Faculty Training Facility (CAFT)- Veterinary Pathology** to the Department of Veterinary Pathology, College of Veterinary Science, GADVASU, Ludhiana in recognition of hard work constantly being put up by the faculty members of the Department over the period of years since its inception. The Department of Veterinary Pathology, GADVASU would now be a front runner in imparting two professional training programmes on an annual basis to faculty members getting trained in latest diagnostic aspects under the ambit of CAFT. Dr Charan Kamal Singh, Head, Veterinary Pathology and the Course Director said that the Department shall play a paramount role in generation of Human Resource/ Capacity building measures in the field of Veterinary Pathology in India. The Department is going to organize first 21st days inaugural training programme under CAFT from September 26th to October, 16th, 2017 on the topic “**Recent approaches in clinico-pathological diagnoses of animal diseases**”. The Course will be coordinated by two senior Professors of the Department, Dr N.K. Sood and Dr B.S. Sandhu. **IAVP congratulates to all Veterinary Pathologists of GADVASU, Ludhiana for this most significant achievement.**

Dr Charan Kamal Singh, Head, Veterinary Pathology and the Course Director, Department of Veterinary Pathology, College of Veterinary Science, GADVASU, Ludhiana.
